

MOCARS AT THE RIDGE ALL MOPAR SHOW & SWAP

**THE RIDGE
MOTORSPORTS PARK
Shelton, WA**

www.mocarsattheridge.com

Presented by Rocket Restorations and Mopar Collectors Guide

This year's event will not be a traditional show, it is set up as more of a cruise-in, swap meet and having fun.

Award categories this year, next year we will have more traditional classes:

- Car you would least like to run into in a dark alley - Best Well-Used daily driver -
- Size Does Matter Award (Biggest vehicle in the show (pre-1980) - Most unusual/weirdest optioned car -
- Best Canadian car - Best Hemi car - Best new Charger/Challenger - Long distance award - Best Slant 6 car -
- Best small block Mopar - Best big block Mopar - Organizers Choice - Sponsors Choice - MCG Award -

Mopar Collectors Guide will be on hand looking for cars to feature!

Live music on Saturday evening provided by Blacktop Demon!

Unfortunately, we will not be having drag racing this year but will be back next year with drag racing! The concrete for the drag strip is being poured around May 15th and it takes a month to cure which is simply not enough margin of error to run the drag event. The track will also be completely green which will be dangerous for the fast cars. Looking forward to next year when we will have the swap, drag racing and the car show!
