

Ignition switch - 3747092  
 Bearing steering column upper - 2265656  
 Bearing retainer - 2925491  
 Key buzzer switch - 2947488  
 Turn signal lever - 2947953  
 Cylinder and key package (including door locks) - 3695555  
 Shaft coupling rebuild kit - 4443436  
 Can't find the part number for the turn signal switch - it is a 70 only part#.

Brake pedal bushings are available from the dealer, part# 2467770  
 Torrington B88 needle bearing, that should work inside most of the pedals.

Painting information:

- Krylon 1613 black
- Rustoleum Black Textured Paint No. 7220830. I found it to be the closed to original in a rattle can
- SEM 39143
