

From the Best Lifter Maker in America!

HYLIFT JOHNSON LIFTERS

Made in USA

Dodge

A-2335

A-2335S

A-2335SE

Application:

5.7L & 6.1L

HEMI

Engine

2002 - up

A-2335: Stock Replacement, Non-MDS

A-2335S: High Performance, Black Oxide Finish

A-2335SE: Direct Shot Tech, Black Oxide Finish

- Fully Forged Body: Increased Strength, Performance and Endurance
- High Performance application provides Slow Leak Down Internals that allow for the Highest Spring Pressure and No Loss of Valve Lift at any RPM which prevents collapsing and excessive noise
- Enclosed Bearing for optimized rigidity and larger surface area for less wear on engine block
- Direct Shot Oil injection utilizes a proprietary oil band system that channels oil to the needle bearing while preventing debris from clogging up the oil supply hole.
