## Troubleshooting Team

**MECHANICAL ABILITY** of two entrants from New Rochelle High School was tested Saturday at Valley Stream, L.I., where youths competed to find, diagnose and repair malfunctions deliberately hidden in new cars. Joseph Desmone and Robert Conca of NRHS were among auto me-

chanic students from 22 metropolitan area schools. The test was won by a team from Brooklyn Automotive High School which will compete in the nationals 500 Speedway at Indianapolis. The NRHS team was sponsored by Crabtree Motors—Staff Photo by Paul Byrne
