CAIR No.: 2606381

Dear Mr. M [REDACTED]

Thank you for your letter concerning your 1978 Dodge D150.

According to our records, there were only 74 (seventy-four) 1978 Dodge D150s built with the 440 engine. Unfortunately, we do not have the last date of vehicle production at the plant.

Sincerely,

E. D. McCarthy
Senior Staff
